

We want to hear from you!

Do you have ideas about housing in Whittier? Join us for a community workshop to share your ideas on **how the City can better address housing needs** for all Whittier residents and stakeholders.

Community input is critical to developing a Housing Element that responds to community needs, values, and preferences. Your ideas could shape Whittier for years to come!

What is a Housing Element?

The Housing Element provides goals, policies and actions that help Whittier plan for existing and future housing needs for all segments of its population and expresses community goals about housing.

Please contact our Planning Services Manager, Don Dooley, at (562) 567-9340 or doooley@cityofwhittier.com if you have questions.

Visit our webpage at <https://www.envisionwhittier.org/housing-element> to learn more and get involved!
